〈Remarks〉

1. The cost of materials is included in the tuition fee, so no separate purchase is required.
2. Payment of the course fee is, in principle, made by credit card.
Credit card details will be registered online, and the stated amount will be processed on the registered credit card at a later date.
3. Company payment or alternative payment methods are available only if credit card payment cannot be used.
In such cases, payment will be handled individually, and any bank transfer fees or related charges must be borne by the payer.
※Cash is not acceptable.
